Very pleasant, cheerful and patient

I appreciate the available transportation, but we prefer to generally transport our child.

Transportation continued to come at 8:22 and varied times as late as 4:00pm without a phone call from transportation before or after.

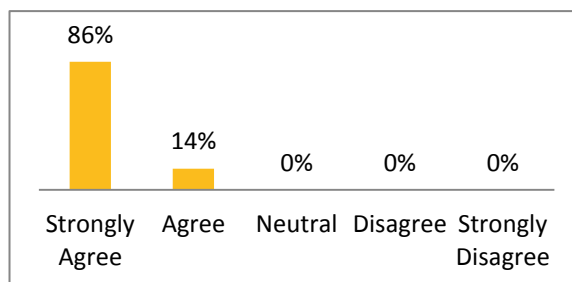

Although better at the end, Transit was not well organized; Very late at the beginning of camp; didn't show, could never predict drop off and pick up times. Literally, stood @ door for 1/2 hour or more in AM and afternoon waiting on van. Also different drivers, no consistency. Finally 1 driver, VERY Rude (Sue??). The last couple weeks of camp were better, however.

Once they got it straightened out.

It started off rocky but seemed to get better.

I believe my child and family has benefited from camp.

My child loves camp, looks forward to it every year, is sad when it is over for the summer. Great Job, Thanks to all who help!

!!

and then some. It has been very good for our son also. It has given him a little more independence and confidence in himself.

Knowing that camp is a place that can handle Leo provides relief and lessens the stress.

Additional comments:

Great Job

We love summer camp and that everybody is good to our kids.

Thank you!☐

My daughter loves the camp, and it is a great summer activity.

Next year, I would like if the times were set for drop off and pickup before camp started and that they were consistent. If they are going to be late or early I would like a phone call. We love camp but the stress of trying to make sure we are home when we are both working would impact our decision to continue to send him.

Much nicer last year in regards to transportation - Busses were better, but I know "budget cut" prompted use of Transit.

Parker has had a great time with you this summer.

My child was excited to go to camp. He was disappointed on the off days.☐
